

# Deliver World-Class Care and Compassion

**Allina Health Emergency Medical Services** is a leader and innovator in pre-hospital emergency medical services. Nearly 600 paramedics, emergency medical technicians, dispatchers and special transportation drivers work together to provide service for approximately one million people in more than 100 communities throughout the Minneapolis/St. Paul metropolitan area and outstate regions. At Allina Health EMS, we care deeply about helping the communities we serve.

## Allina Health EMS

Here is what we accomplished in 2018:

- 131,398 Total Allina responses
- 315,422 Calls processed by Allina dispatch centers
  - 121,839 Total 911 & BLS responses
- 1.2 Million Full-time residents in our 911 response area
- 40,704 Callers received pre-arrival instructions from dispatchers
  - 10,577 Total Active Ride responses
  - 46,168 Interfacility Responses
- \$104,252 Funds raised by Allina Health EMS to support fifteen charitable causes
