

■ WIDSETH FIRM OVERVIEW

Widseth designs structures and systems that preserve and enhance the quality of life in our region and make our communities safer and better places to live, play, and work. We have the experience and expertise to lead projects from concept to completion. Widseth is an integrated, multi-discipline firm that brings together all the services you need under one umbrella. For you, that means better communication, greater efficiency, and a more satisfying experience as your project plays out.

Widseth was founded in 1975 and maintains a strategic focus on serving the communities of Greater Minnesota and North Dakota. Sustainability through managed growth has always been a goal of the Widseth ownership team—the firm has taken advantage of many growth opportunities since its inception and now boasts nine office locations and more than 200 employees.
